APPLICATION DEVELOPMENT WORKSHOP

DEMA and FEMA will host Hazard Mitigation Assistance (HMA)
Application Development Workshops for state, county and municipal
stakeholders interested in applying for future HMA grants.

This workshop is being offered to assist applicants in developing a better
and more competitive Notice Of Intent (NOI) and application for mitigation
grants. Additionally, updates and changes to the federal and state
programs will be introduced. The workshop will start at 9:00 am and
continue through approximately 4:00 pm, with a break for lunch.

RSVP with the name and number of people attending to
