

# Arizona Qualification System

## Mental Health K-12 Education Specialist

Get credentialed and be part of the statewide resource that makes a difference!

.....

The AQS is a voluntary system designed to enhance statewide personnel deployment efficiency. It creates a consistent framework aligned with national standards for qualified personnel readiness. The AQS promotes all-hazards training and credentialing while providing local agencies with resources to manage Emergency Operations Centers (EOC) and Incident Command Organizations effectively, in line with National Incident Management System (NIMS) standards.

### Benefits to User Organizations:

- ✓ Qualify, Certify, and Credential personnel to operate in an EOC or ICS organization.
- ✓ Meet the Emergency Management Performance Grant (EMPG) program requirements.
- ✓ Access additional qualified, certified and credentialed personnel to assist during events, emergencies, and disasters.
- ✓ There is no fee to participate in this program.
