<p>Lost Child Procedure</p> <p>Parents should immediately report lost children to the Event Coordination Center or find a staff member and request assistance. The staff member should immediately contact the Event Coordination Center.</p> <p>Anyone finding a lost child should immediately take the lost child to the Event Coordination Center.</p> <p><u>Lost Child Procedures for volunteers and staff</u></p> <p>Any volunteer or staff member finding a lost child should immediately escort the child to the Event Coordination Center. If the volunteer is unable to leave their position, radio the Event Coordination Center for assistance. Any parent looking for a lost child should be directed to the Event Coordination Center. Once a staff member or volunteer takes possession of a lost child, the child should only be released to a parent or Event Coordination Center personnel.</p> <p>The Event Coordination Center shall be equipped with communication to the entry points and security.</p> <p>Once a lost child has been reported to the Event Coordination Center, the OIC or designee shall radio a description of the lost child to all of security and staff.</p>
