BRIEF JOB DESCRIPTION: This position is located at the unit level in the ANG Aviation Wing, Operations Group at selected Air Combat Command (ACC) and Air Education Training Command (AETC) gained flying units in the Air National Guard (ANG). The primary purpose of the position is to provide ground and flight instruction in high performance, military fighter aircraft. Qualifies in and supports the Aerospace Control Alert Mission as tasked by HHQ. Administers combat flight training to military aircrews. Instructs and evaluates pilots through a broad training spectrum, in addition to performing pilot duties, which may include but is not limited to Initial Qualification Training (IQT) – Training to qualify the aircrew in basic aircraft flying duties without specific regard to a unit operational mission. Mission Qualification Training (MQT) – Training required to achieve a basic level of competence in the unit's primary tasked missions. This training is a prerequisite of Basic Mission Capable (BMC) and Combat Mission Ready (CMR) status. Continuation Training (CT) - Training to maintain proficiency and improve aircrew capabilities to perform unit missions and aircrew proficiency sorties not flown in formal syllabus missions, tests, or evaluations. Upgrade Training (UG) – Training which is syllabus directed to qualify the aircrew in positions beyond that of the entry level of “wingman”. Assesses flight instructors, pilots and other aircrew members assigned, attached or newly acquired to the unit to determine flying background and proficiency in the Unit Equipped (UE) airplane. Plans, develops and presents comprehensive courses of instruction in both ground and flight training for pilots to achieve and maintain mission ready status. Projects unit-training requirements and prepares required training records. Maintains a thorough knowledge of airplane systems and procedures under normal, instrument, and emergency conditions to give timely and accurate instruction to aircrews in the air or on the ground. Briefs and instructs preflight preparations including: intelligence briefings, mission planning, weather factors, mission objectives, and other agency coordination to ensure safe flight procedures and effective mission accomplishment. Trains and evaluates proficiency and competency of aircrews in weapons tactics. Designs and coordinates comprehensive training plans and scenarios to provide realistic technical aircrew training.
