APPLICATIONS MUST BE MAILED OR HAND CARRIED TO: Human Resources Office, 5636 E. McDowell Road, Bldg M5710, Phoenix, AZ 85008-3495. Applications must be received by close of business (1530 MST) on the closing date shown above or if mailed postmarked no later than the closing date. The Human Resources Office will not accept applications that are mailed at government expense, exceptions to hard-copy delivery may be considered on case-by-case basis. Please contact 602-629-4826/4834 for consideration. Faxed applications will not be accepted.

AREA OF CONSIDERATION:

This position is in the Federal/Excepted Civil Service and is **open to current members and those eligible for membership in the Arizona Air National Guard.** Individual selected will receive an **Indefinite Appointment** and may be converted to permanent based on availability of funds or position no longer being encumbered. Acceptance of a Federal Excepted technician position of over 179 days in length will cause termination from the Selected Reserve Incentive Program (BONUS). Individual selected will require a military medical records screening if applicable, to be completed prior to appointment, and/or may be required to take a pre-employment medical screening examination dependent on the position type and military medical records screening results.

INSTRUCTIONS FOR APPLYING: Individuals applying for vacancies with the Arizona National Guard may submit Optional Form 612 (Optional Application for Federal Employment), or a Resume. Application documents must contain the Announcement Number, Title and Grade(s) of the job being applied for. Personal information must include full name and address (including ZIP Code), Day and evening phone numbers (with area code). Work experience information should be limited to either paid or nonpaid experience directly related to the position that the individual is applying for and must include: Job Title, Duties and accomplishments, Employers name and address, Supervisors name and phone number, starting and ending dates, hours per week and salary.

Applicants **MUST** submit a completed AZNG Form 335-2-R (Knowledge, Skill and Ability Supplement) or a separate document explaining how they meet each Knowledge, Skill and Ability listed below and a Resume or the Optional Form 612. Applicant **MUST** submit complete RIP and/or other documentation to verify possession of AFSC.

EVALUATION PROCESS: Each applicant must **FULLY SUBSTANTIATE** on their application how they meet the requirements listed in the specialized experience area; otherwise applicant will be considered unqualified for this position. Applications will be evaluated solely on information supplied in the application (OF 612) or resume. Experience will be

evaluated based on relevance to the position for which application is being made. Include job titles, starting and ending dates (month and year), hours per week, salary, duties/accomplishments, employer(s) name and address, and supervisor(s) name/phone number and permission to contact.

CONDITION OF EMPLOYMENT: Prior to appointment into this position, selectee must be a current member of the Arizona Air National Guard, (162nd WG) and be able to qualify for the following AFSC: 2W1X1

- Federal employment suitability as determined by a background investigator.
- May be required to successfully complete a probationary period.
- Participation in the Direct Deposit/Electronic Funds Transfer Program.
- Military Uniform must be worn.
- Applicants must maintain membership and employment in the National Guard in the military grade listed in this announcement.

EQUAL OPPORTUNITY: The Arizona National Guard is an Equal Opportunity Employer. Selection for this position will be made without regard to race, religion, age, national origin, sex, political affiliation, marital status, membership or nonmembership in an employee organization or any other non-merit factor.

Relocation Incentive may be offered: YES NO
PCS may be offered: YES NO

NOTES:

- Open until filled- Applications will be reviewed every 30 days for consideration for hire until 12 December 2019.
- No known military promotion is associated with this Technician Vacancy. All selected applicants will be placed in a position commensurate with their current rank and boarded for promotion at the discretion of military supervision.
- This position is subject to rotating or night shift work in support of a 24/7 Operation.
- Limited Permanent Change of Station (PCS) funds may be authorized if funds are available.
- Unless otherwise amended this position will close on 12 December 2019.
- Acceptance of an offer of employment made from this vacancy announcement will require the selected applicants at the time of appointment to sign a statement of understanding that clearly outlines the selected applicants Individual Development Plan (IDP) KSA training requirements and minimum Specialized Experience time frames that are required for promotion of applicable known promotion pay grades associated with their qualifications.
- All Selected applicants will be placed on an Order of Merit List in the order of their referral and selection ranking.

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED FOR SUCCESSFUL PERFORMANCE IN THIS POSITION:

Each applicant should fully justify on their application how they meet each KSA listed below using AZNG Form 335-2-R to reference the justification.

1. Knowledge and appropriate training in functions of inspection, maintenance, installation, modification and repair of air munitions launch, release, suspension systems, R/F electronic countermeasures system and aircraft gun systems.
2. Comprehensive knowledge and skill in troubleshooting procedures, diagnosing problems and determining corrective action in the aircraft ordnance electronic systems.
3. Knowledge and skill to troubleshoot, repair, modify, or remove equipment and components such as gun systems, bomb racks, pylons, and the Universal Ammunition Loading System (UALS).
4. Knowledge and ability to interpret and trace schematic, logic and wiring diagrams and use a wide variety of test, measurement and diagnostic equipment (TMDE).
5. Operational knowledge and skill in the operation, interrelationship and interdependent aspects of each ordnance system within the total complex aircraft electronic system(s) within fighter aircraft. Has extensive knowledge of each system's prerequisites, sequential events, and logic flow and signal input/output requirements for successful target acquisition, lock-on, launch and delivery of air-to-air and air-to-ground weapons.
6. Knowledge of the principals of digital and analog circuits, synchro-electro-mechanical devices, solid-state.

SPECIALIZED EXPERIENCE:

WG-5: Must have at least 6 months of experience or training which demonstrates the ability to learn procedures used to service, repair and maintain aircraft ordnance equipment. Experience which has demonstrated an ability to recognize various defects of equipment. Experience in the use of common hand tools. Experience showing the ability to follow written instruction

WG-8: Must have at least 12 months of experience or training in repair and installation of ordnance equipment and components such as launchers, pylons, bomb racks and actuators. Experience which required the ability to diagnose malfunctions. Experience in hand tools and a limited number of measuring instruments. Experience in the use of a variety of test equipment. Experience interpreting and applying a variety of technical manuals and similar published materials

WG-11: Must have at least 18 months of experience or training in planning and layout of repair sequence and ability to complete modification, repair and installation of ordnance systems. Experience in diagnosing and troubleshooting malfunctions and determining remedy where complex relationships exist. Experience in hand tools and a limited number of measuring equipment. Experience in the use of a variety of test equipment. Experience in interpreting technical directions, blueprints, sketches, wiring diagrams and manufacturer's specifications.

BRIEF JOB DESCRIPTION: This position is located in an Air National Guard Aviation Wing, Aircraft Maintenance Group, Aircraft Maintenance Squadron, Weapons Element (Flight Line) in Tucson, AZ at the 162d Wing. The primary purpose of the position is to troubleshoot, repair, install, modify, test and adjust aircraft ordnance systems, equipment and components. On and/or off-equipment inspection, modification, overhaul, troubleshooting and repair capability of weapons release and gun systems; verifies and analyzes malfunctions, troubleshoots, tests, inspects and loads/unloads conventional munitions; installs/removes weapons delivery equipment, launchers and gun systems.
