Please contact 602-629-4826/4834 for consideration. Faxed applications will not be accepted.

AREA OF CONSIDERATION:

This position is in the Federal/Excepted Civil Service and is **open to current members and those eligible for membership in the Arizona Air National Guard.** Individual selected will receive an **Indefinite Appointment** and may be converted to permanent based on availability of funds or position no longer being encumbered. Acceptance of a Federal Excepted technician position of over 179 days in length will cause termination from the Selected Reserve Incentive Program (BONUS). Individual selected will require a military medical records screening if applicable, to be completed prior to appointment, and/or may be required to take a pre-employment medical screening examination dependent on the position type and military medical records screening results.

INSTRUCTIONS FOR APPLYING: Individuals applying for vacancies with the Arizona National Guard may submit Optional Form 612 (Optional Application for Federal Employment), or a Resume. Application documents must contain the Announcement Number, Title and Grade(s) of the job being applied for. Personal information must include full name and address (including ZIP Code), Day and evening phone numbers (with area code). Work experience information should be limited to either paid or nonpaid experience directly related to the position that the individual is applying for and must include: Job Title, Duties and accomplishments, Employers name and address, Supervisors name and phone number, starting and ending dates, hours per week and salary.

Applicants **MUST** submit a completed **AZNG Form 335-2-R (Knowledge, Skill and Ability Supplement)** or a separate document explaining how they meet each Knowledge, Skill and Ability listed below and a **Resume** or the **Optional Form 612.** Applicant **MUST** submit complete **RIP** and/or other documentation to verify possession of **AFSC.**

EVALUATION PROCESS: Each applicant must **FULLY SUBSTANTIATE** on their application how they meet the requirements listed in the specialized experience area; otherwise applicant will be considered unqualified for this position. Applications will be evaluated solely on information supplied in the application (OF 612) or resume. Experience will be evaluated based on relevance to the position for which application is being made. Include job titles, starting and ending

dates (month and year), hours per week, salary, duties/accomplishments, employer(s) name and address, and supervisor(s) name/phone number and permission to contact.

CONDITION OF EMPLOYMENT: Prior to appointment into this position, selectee must be a current member of the Arizona Air National Guard, in a military unit supporting (162nd WG) and must possess the following AFSC: 2F0XX

- Federal employment suitability as determined by a background investigator.
- May be required to successfully complete a probationary period.
- Participation in the Direct Deposit/Electronic Funds Transfer Program.
- Military Uniform must be worn.
- Applicants must maintain membership and employment in the National Guard in the military grade listed in this announcement.

EQUAL OPPORTUNITY: The Arizona National Guard is an Equal Opportunity Employer. Selection for this position will be made without regard to race, religion, age, national origin, sex, political affiliation, marital status, membership or nonmembership in an employee organization or any other non-merit factor.

Relocation Incentive may be offered: YES NO
PCS may be offered: YES NO

NOTES:

- Open until filled- Applications will be reviewed every 30 days for consideration for hire until 12 Dec 19.
- This position is subject to rotating or night shift work in support of a 24/7 Operation.
- Unless otherwise amended this position will close on 12 Dec 19.
- Some work must be accomplished outdoors during increment weather conditions and in a high noise environment.
- Must submit a complete RIP and/or DD214 to verify AFSC.

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED FOR SUCCESSFUL PERFORMANCE IN THIS POSITION:

Each applicant should fully justify on their application how they meet each KSA listed below using AZNG Form 335-2-R to reference the justification.

1. Technical knowledge of fuels, propellants, cryogenics and logistics that are applicable to this position.
2. Knowledge in the rules and regulations governing flightline/airfield driving.
3. Able to use technical manuals, illustrations, specifications, diagrams, schematics and similar guides to make minor or routine repairs and modifications related to fixed and mobile refueling equipment..
4. Familiarity with safety regulations, disposal methods, hazards, identification methods and the use of protective clothing/equipment.

SPECIALIZED EXPERIENCE: Must possess at least 12 months experience or training working in activities such as large fuel depots or fuel farms with complex, interconnecting line and pipe arrangements, and frequent requirements for large scale movement and transfer of a variety of liquid fuels. Experience or training which demonstrates the ability to follow instructions and to safely operate the type of equipment required to accomplish the duties of the position.

BRIEF JOB DESCRIPTION: This position is located at the 162d Wing in Tucson, AZ in the Fuels Management Flight, within the Logistics Readiness Squadron, Mission Support Group. The primary purpose of this position is to operate and maintain a fuel distribution system that includes a fuels laboratory, cryogenic storage, bulk storage, base service station, fuels information service center, mobile fueling operations , and to manage all accounts for missile propellants, aviation fuels, ground fuels and cryogenics utilized in support of aircraft, motor vehicles, engine test cells, powered Aerospace Ground Equipment (AGE), generators and heating systems required to support the Wing mission and transient aircraft. Inspects, operates and maintains a complete fuels distribution system(s) to receive, store, transfer and issue both aviation and ground fuels. Operates, inspects and performs all required maintenance and repair on 400-5,000 gallon cryogenic storage tanks. Performs required quality control testing in the fuels laboratory as set forth in TO 42B-1-1, AFI 23-201 and other governing directives. Administers Fuels Information Service Center. Operates one or more types of special purpose

design aviation and ground fuel tank truck vehicles having a capacity of up to 6,000 gallons and gross vehicle weight of 70,000 pounds used for fueling/defueling various types of aircraft and ground fuels applications such as AGE, power production, heating and engine test cells. Maintains a consolidated tool kit program. Plans, monitors and conducts On-The-Job Training (OJT), for assigned Fuels Management Flight personnel. Uses and assures proper fit of required safety equipment and personal protective equipment (PPE). Performs other duties as assigned.

SELECTING OFFICIAL: Maj Ryan Randall
