APPLICATIONS MUST BE MAILED OR HAND CARRIED TO: Human Resources Office, 5636 E. McDowell Road, Bldg M5710, Phoenix, AZ 85008-3495. Applications must be received by close of business (1530 MST) on the closing date shown above or if mailed postmarked no later than the closing date. The Human Resources Office will not accept applications that are mailed at government expense, exceptions to hard-copy delivery may be considered on case-by-case basis. Please contact 602-629-4826/4834 for consideration. Faxed applications will not be accepted.

AREA OF CONSIDERATION:

This position is in the Federal/Excepted Civil Service and is **open to current members and those eligible for membership in the Arizona Air National Guard.** Individual selected will receive a **Permanent Appointment** after successful completion of a one year trial period. Acceptance of a Federal Excepted technician position of over 179 days in length will cause termination from the Selected Reserve Incentive Program (BONUS). Individual selected will require a military medical records screening if applicable, to be completed prior to appointment, and/or may be required to take a pre-employment medical screening examination dependent on the position type and military medical records screening results.

INSTRUCTIONS FOR APPLYING: Individuals applying for vacancies with the Arizona National Guard may submit Optional Form 612 (Optional Application for Federal Employment), or a Resume. Application documents must contain the Announcement Number, Title and Grade(s) of the job being applied for. Personal information must include full name and address (including ZIP Code), Day and evening phone numbers (with area code). Work experience information should be limited to either paid or nonpaid experience directly related to the position that the individual is applying for and must include: Job Title, Duties and accomplishments, Employers name and address, Supervisors name and phone number, starting and ending dates, hours per week and salary.

Applicants **MUST** submit a completed **AZNG Form 335-2-R (Knowledge, Skill and Ability Supplement)** or a separate document explaining how they meet each Knowledge, Skill and Ability listed below and a **Resume** or the **Optional Form 612.** Applicant **MUST** submit **Air Force Fitness Management System II, Member Individual Fitness Report,** reflecting the past 36 months of fitness scores.

EVALUATION PROCESS: Each applicant must **FULLY SUBSTANTIATE** on their application how they meet the requirements listed in the specialized experience area; otherwise applicant will be considered unqualified for this position. Applications will be evaluated solely on information supplied in the application (OF 612) or resume. Experience will be evaluated based on relevance to the position for which application is being made. Include job titles, starting and ending

dates (month and year), hours per week, salary, duties/accomplishments, employer(s) name and address, and supervisor(s) name/phone number and permission to contact.

CONDITION OF EMPLOYMENT: Prior to appointment into this position, selectee must be a current member of the Arizona Air National Guard, in a military position assigned to 214th ATKG and be able to qualify for the following AFSC: 2A3X8

- Federal employment suitability as determined by a background investigator.
- May be required to successfully complete a probationary period.
- Participation in the Direct Deposit/Electronic Funds Transfer Program.
- Military Uniform must be worn.
- Applicants must maintain membership and employment in the National Guard in the military grade listed in this announcement.

EQUAL OPPORTUNITY: The Arizona National Guard is an Equal Opportunity Employer. Selection for this position will be made without regard to race, religion, age, national origin, sex, political affiliation, marital status, membership or nonmembership in an employee organization or any other non-merit factor.

Relocation Incentive may be offered: YES NO
PCS may be offered: YES NO

NOTES:

- NOTE: Open until filled- Applications will be reviewed every 30 days for consideration for hire until 19 Dec 20.
- NOTE: Unless otherwise amended this position will close on 19 Dec 20.
- NOTE: This position is in support of the MQ-9 mission and is subject to rotating shifts, weekends and holidays.
- NOTE: Member will be UTC tasked and subject to be involuntary deployment
- NOTE: No known military promotion potential is associated with this Technician Vacancy. Selected members will be boarded for promotion at the discretion of military supervision.

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED FOR SUCCESSFUL PERFORMANCE IN THIS POSITION:

Each applicant should fully justify on their application how they meet each KSA listed below using AZNG Form 335-2-R to reference the justification.

1. Knowledge of the theory and operation of aircraft systems to be able to troubleshoot malfunctions and problems, and determine the extent of repairs and involvement of others in expediting return to combat ready status.
2. Skill and knowledge to resolve problems and devise solutions when aircraft are not at home station, or at a location where the full complement of support equipment, supplies, parts, tools, and maintenance personnel are available.
3. Ability to train and promote professional development for assigned full time and drill status personnel from the initial recruit through the most seasoned worker.
4. Ability to direct, monitor or perform overall maintenance, servicing, inspections and documentation for one or more aircraft
5. Ability to perform in-process and final inspection of aircraft and components undergoing repair, overhaul and/or modification to verify and certify by signature.

SPECIALIZED EXPERIENCE: Must possess at least **24** months of experience or training that has provided the candidate with the skill to remove and replace aircraft parts, accessories, and components, and to make adjustments and settings according to established specifications. Must be skilled in the use of hand tools and test equipment. Experience or training installing, adjusting, aligning, troubleshooting and functionally testing the various major and minor mechanical and pneumatic systems on an aircraft during overhaul or modification. Experience coordinating the work of other mechanics, and scheduling maintenance to ensure completion of critical actions and optimum workflow. Must have the ability to instruct lower graded mechanics, military and other personnel in the disassembly and re-assembly of crash damaged engines, transmissions, gearboxes, hydraulic components, and fuel controls sufficient for the exhibit to be returned to its shipping container.

BRIEF JOB DESCRIPTION: This position is located in Fort Huachuca (Sierra Vista, AZ) in the Launch and Recovery

Element of the 214th Maintenance Squadron supporting a Remote Piloted Aircraft (RPA) flying mission. Its purpose is to act as the crew chief with responsibility for directing the total maintenance effort on individually assigned aircraft. The work involves the total maintenance of complex, high performance remote piloted military aircraft. Fully responsible for providing detailed technical insight on individual aircraft's level of Mission Capability (MC), then develops and recommends a comprehensive course of action to maintain the aircraft at Full Mission Capability (FMC). All aircraft are fully integrated in and are part of the Total Force Mission of the United States Air Force. This position is responsible to fully prepare assigned aircraft for Aerospace Expeditionary Force/Wing (AEF/AEW) Operations around the world.
