Members of the Arizona Army or Air National Guard who are ordered to State Active Duty (SAD) will be processed in accordance with this directive and shall be eligible for limited benefits.

2.0 LETTER ORDERS

The JTF (Joint Task Force – Arizona) is responsible for publishing SAD written letter orders. These letter orders are written by order of The Adjutant General (TAG) on behalf of the Governor. Due to the often immediate need to mobilize members of the National Guard to SAD, a Verbal Order of the Commanding Officer (VOCO) may be used prior to publishing a SAD letter order. JTF personnel will prepare a memo verifying duty status upon employer request.

3.0 PAYROLL

3.1 SAD Pay

SAD pay is determined by using the DoD Pay Manual and Military Pay Tables based on years of military service, incentive status, rank, and claimed dependents. To determine SAD pay, relevant information is retrieved from applicable Army and Air Personnel and Pay Systems. Members must ensure the information in these systems are accurate and current, during the components readiness process that occurs prior to JTF accepting a member on mission. Military pay includes base pay, incentive pay, special pay for medical personnel, basic allowance for housing (BAH), and basic allowance for subsistence (BAS); allowance rates may vary after 30 consecutive days of duty. If meals are provided, BAS is not paid. In addition to military pay, enlisted members performing SAD, under an emergency declaration, are authorized an additional $30.00 per day, IAW A.R.S.§ 26-156 (B) (additional salary provisions do not apply to officers or warrant officers).

3.2 Pay Period

In accordance with the state of Arizona payroll calendar, pay periods end every other Friday and direct deposit/paychecks are issued the following week. A National Guard member who is an active state employee with either DEMA or another state agency will receive SAD pay through the member agency’s payroll. SAD pay is transferred to the employee’s agency and added to any other pay due from that agency.
If a member believes there is a pay problem or that they were accounted for incorrectly, they must go through military organizational levels within JTF, to rectify the problem.

3.3 **Federal Income Tax**

SAD members pay FICA/MED, and federal taxes. Tax withholding is based on the member’s W-4 that is submitted to JTF. Base pay, incentive pay, and the $30.00 a day enlisted salary provision are subject to federal income taxes. BAH and BAS are non-taxable income. Arizona Department of Administration (ADOA) will mail a year end W-2 to each member.

3.4 **State Income Exemption**

Compensation received under State Active-Duty qualifies as “active service” and exempt from state income tax per Arizona Revised Statutes §43-1022(11).

4.0 **INJURY/WORKERS’ COMPENSATION**

Members should call 911 for immediate medical care of serious injuries or call the CORVEL Workers Compensation line at 1-800-685-2877 for non-emergency medical attention.

4.1 **Disability Benefits**

Workers’ Compensation is provided pursuant to Title 23 of the Arizona Revised Statutes. This protection covers any work-related injury or illness that requires medical treatment or time-off of work. Worker’s compensation insurance generally provides limited benefits to eligible workers in the form of medical treatment and/or compensation for apportion of lost wages.

If a member sustains a work-related injury or illness, the member is required to notify his/her supervisor within the JTF immediately (within 48 hours of the occurrence). Supervisors are responsible for ensuring the member obtains medical attention if necessary. Supervisors must complete a Supervisor's Report of Injury form and Employer's Report of Industrial Injury form within 24 hours. JTF will route all forms and claims to the DEMA Risk Manager within 24 hours of reviewing and logging for tracking.

Members will send medical bills for industrial injuries/illnesses to the Administrative Service Office after retaining copies for themselves. For additional
